R-T1 Calendar, calendar,

Hanging on the wall

Each day

I tear off one page

But time

Goes by in such a hurry

Sometimes

It makes me worry, worry and worry.

From now on: treasure my time,

As much as I can,

And study my school work,

As hard as I can.

Calendar, calendar,

Hanging on the wall.

Each day

I tear off one page.

But time

Goes by in such a hurry.

Sometimes

It makes me worry, worry and worry.

I hope that all of us Will cherish our time,

And work hard to improve ourselves

Without ever stopping.
